

Understanding Your Residential Bill

VEC Distribution Charge:
The cost of delivering electricity to each member. Rate (\$0.020306) x kWh

Monthly Customer Charge: The monthly expense for each meter.

Bill Date: Date your account is billed

Information Box: Look in this box for messages of importance or interest to VEC members.

Wholesale Power Supply: What VEC pays for power generated at a plant. Rate (\$0.073470) x kWh

Power Cost Recovery: This charge is the difference between VEC's wholesale power supply rate and the actual rate paid for wholesale electricity.

Current Balance Due (Date): This is the amount due by the date listed.

Account Number: Number assigned to your account. Some members have more than one account.

Meter Number: Number assigned to your meter. Some members have more than one meter on their account.

Service Address: Address where the meter is located.

Class & Rate: Rate in which you are billed, VEC has residential, commercial and large power service that are billed at a different rate.

Billing Period: The start and end date of the billing period.

Meter Readings: The start and end reading on your meter in kWh.
